

Coronavirus update

- Specific arrangement for each area and buildings, local risk assessments must be followed at all time.
- Twice weekly asymptomatic lateral flow testing is strongly encourage to all those working on site in any settings:
<https://www.ox.ac.uk/coronavirus/health/covid-testing/regular-testing>
- Covid-Symptom PCR testing: <https://www.ox.ac.uk/coronavirus/health/covid-testing> - email easresult@ndcn.ox.ac.uk if using NHS test
- Requirement of wear face masks : when circulating, in shared areas and in close contact situation (supervision) – note OUH rules differ
- Occupants asked to wipe desk/benches after use and to frequently wash hand or sanitise throughout the day.
- Requirement to sign in and book equipment continues
- Respect people's space
- If you have concerns do not hesitate to consult with your supervisor

Coronavirus update (continued)

- **OUH site:**

- **Face mask** required in all area unless Covid Secure (single office occupancy, dedicated eating/drinking spaces, area where there is consistently no face to face interaction)
- **2m social distancing** – one person per table in break out space
- Occupancy limit apply though can pop in if 2m socially distanced
- Lift limited to 4 or 2 depending on size
- healthcare setting **isolation rule** requires positive contact to carry our **PCR test** as well as **lateral flow test for 10days** in order to work on site.
- If the **contact is from your household, you cannot attend work in OUH space.**
