Study title: The Oxford Vascular Study (OxVasc)

Please initial the relevant box

1. I confirm that I have read and understand the information sheet version 4 dated 27 February 2020 for the above study and have had the opportunity to ask questions and had these answered to my satisfaction.

2. I understand that sections of my general practitioners notes may be looked at by responsible individuals where it is relevant to my taking part in research. I give permission for these individuals to have access to my records. I understand that information held and maintained by NHS Digital / NHS Central Register may be used to provide information about my health status.

3. I agree to donate blood samples taken for future research and understand, this may include genetic research aimed at understanding genetic influences on vascular disease, but that the results of these investigations are unlikely to have any implications for me personally. I consider these samples a gift to the University of Oxford and I understand I will not gain any direct personal benefit from this.

4. I understand that my participation is voluntary and that I am free to withdraw at any time, without giving any reason and without my medical care or legal rights being affected.

5. I agree to take part in the above study

6. I agree to be invited to participate in further OXVASC studies approved by ethics and I understand that agreeing to be contacted does not oblige me to participate in any further studies.
