

## SUMMER TIME!

Dear all PROHIBIT-ICH collaborators,

As we have started recruitment for trial, we would like to update you on the progress of PROHIBIT-ICH.

### SITE RECRUITMENT!!

- Well done to the Oxford team for their first recruitment
- Well done to Anna Robinson at UCLH on recruiting her 3<sup>rd</sup> participant

### FEW MORE THINGS...

- Please can all sites make sure the MRI scans reach us as soon as possible
- We hope to increase recruitment rate with protocol amendments
- We are designing a recruitment poster for sites to put up at the hospital
- We will have a teleconference with each PI to discuss recruitment

### KEEP GOING!!

#### UPDATE:

- **6 patients** have been recruited and randomised on the trial
- PROHIBIT-ICH Steering Committee meeting to be held in September 2019
- Patients on the intervention arm have been compliant with the trial activities
- We have introduced a monthly recruitment league table
- All MRI scans have passed Quality Assurance
- Shahena is organising teleconference dates with each site to discuss recruitment solutions

We would like to thank you again for your continued help and support!

Kind regards,

Shahena Butt  
Study Co-ordinator

David Werring  
Chief Investigator

Peter Rothwell  
Co-Chief Investigator
