

HAPPY EASTER!

9th April 2020 *Newsletter*

Dear all PROHIBIT-ICH collaborators,
We would like to thank you for your continued support during these challenging times.
We understand that you may have other priorities at the present time.

RECRUITMENT PROGRESS

- **Total recruitment: 36 participants**
- **Recruitment target: 112 participants**
- **End of recruitment date: 31/12/2020**
- **Recruitment is suspended until further notice due to the limitations created by COVID-19.**
- **Please keep a screening log of potentially eligible participants for recruitment later or a list of ICH patients if you have staff capacity issues**

CAMBRIDGE | RECRUITMENT STARS!

Amazing work from the Cambridge team (pictured below) who have recruited 3 participants in 2020 following the creation of a new ICH clinic.

CONGRATULATIONS

Well done to the following teams:

- Sarah Finlay and the Cambridge team for recruiting their 4th and 5th participants.
- Ben Jackson and the Nottingham team for recruiting their 3rd participant.
- Angela Welch and the Glasgow team for recruiting their 3rd participant.

MRI SCANS

- Before the 12 month visit, please contact your MRI radiographers to check whether scanners have had upgrades or not and check with them that the scan sequences planned are the same as those at baseline.
- Email m.dabagh@ucl.ac.uk if there are any issues.

COVID-19 GUIDANCE

- We have developed a trial specific **Contingency Plan** which we request you read and follow closely. It will be sent out soon after review by the Trial Steering Committee.
- You may find this website useful for Stroke specific advice: www.basp.ac.uk/covid-19-basp-resource-hub/

Please let us know if you experience any difficulties at your site that we may be able to help with.
Stay in touch and stay safe everyone!
