

PROHIBIT-ICH

Prevention Of Hypertensive Injury to the Brain by
Intensive Treatment in IntraCerebral Haemorrhage

AUTUMN IS HERE.....

Dear all PROHIBIT-ICH collaborators,

As we have received some local approvals for the project, we would like to update you on the progress of PROHIBIT-ICH.

PROGRESS

- We have completed all the Site Initiation Visits
- We have received confirmation of Capacity and Capability from 6 sites.

!!CURRENT CRF STATUS!!

- Development work with Sealed Envelope has taken longer than expected.
- We are requesting for sites that have completed local approvals to hold recruitment until the eCRFs are complete.
- We expect the eCRF to be ready early December 2018

LET'S GET STARTED!!

OUR AIMS:

- Finalise remaining contracts with the sites
- eCRF and online randomisation to be up and running before our investigator's meeting in Telford
- **Give the green light**
- Start Recruitment
- Randomise 1st patient in December 2018

!!SAVE THE DATE – UKSF!!

6th December 2018 at 10am in Wenlock Suite

We are inviting all Principle Investigators and team members from each site to attend the Investigators meeting at this year's Stroke Forum in Telford.

Shahena has sent out invitations!

We are excited to get this trial up and running this year and we would like to thank you again for your continued help and support!

Kind regards,

Shahena Butt
