

Do You Have Asthma?

We are seeking people **with asthma** aged **18-65** to take part in our study
**Exploring the relationship between symptoms and lung function
in asthma**

In this study we would ask you to visit us at the University of Oxford and
complete some questionnaires, computer tasks and breathing assessments
If you:

Suffer from asthma

**And would be interested in participating, please contact us either via
our website using the link or directly using the details below**

Website address:

www.ndcn.ox.ac.uk/research/respiratory-control/research-projects/neuroscience-of-asthma

We expect this session will last around 2 hours and you will be compensated for your time
