Verbal CONSENT FORM

Study Title: The National Young Stroke Study (NYSS)

Researcher to seek and record informed oral consent, after participant has had sufficient time to think about whether they want to take part. Please check the boxes to record that the question has been asked by the researcher and that the participant has responded in the affirmative:

1. Do you confirm that you have read the information sheet dated 05/12/2023 (version 1.0) for this study and have had the opportunity to consider the information, ask questions and have had these answered satisfactorily?	
2. Do you understand that your participation is voluntary and that you are free to withdraw at any time without giving any reason, and without your medical care or legal rights being affected?	
3. Do you understand that relevant sections of your medical notes and data collected during the study may be looked at by individuals from University of Oxford, from regulatory authorities [and from the NHS Trust(s)], where it is relevant to your taking part in this research? Do you give permission for these individuals to have access to your records?	
4. Do you understand that the information held and maintained by NHS England / NHS Central Register may be used to help contact you or provide information about your health status?	
5. Do you agree to take part in this study?
